

# Social Media Toolkit

We're excited you are participating in Safe + Sound Week 2023! Showing your participation in Safe + Sound Week on social media encourages others to take the pledge and shows how your safety and health program has improved your workplace. Visit the [Safe + Sound Week website](https://www.osha.gov/safeandsoundweek) for:

- Logos and ready-to-print content
- Social media graphics on safety programs and mental health
- More ideas for Safe + Sound Week activities
- Materials in Spanish
