

VIRGIN ISLANDS DIVISION OF OCCUPATIONAL SAFETY AND HEALTH (VIDOSH)
"SAVE THE DATE"

Good day Sir/Ma'am,

Safe + Sound Week is a nationwide event held each August as part of OSHA's Safe + Sound Campaign to recognize the success of workplace health and safety programs and offer information and ideas on how to keep America's worker's safe. This nationwide effort raises awareness of the value of workplace safety and health programs, which can improve your workplace safety and health performance, save money and improve productivity.

Please find pertinent OSHA Safe + Sound information for your Department or Agency's participation.

*The Virgin Islands Department of Labor (VIDOL) Division of Occupational Safety and Health will be hosting a virtual **Safe + Sound Webinar: Topic - Lead with Safety on Thursday, August 10, 2023, at 10 am – 11 am.***

Please Join the Webinar via MS Teams. Click to Join Webinar

- The webinar will provide useful information for the public sector departments and agencies on how to shift the safety curve to improve occupational safety in your workplace.
- Attendees will gain knowledge of the key elements to successful safety and health programs to be able to implement effective Safety and Health Programs in your workplace.
